Dear Lily,

I received your letter this afternoon & not having had any for 7 months I was very pleased to get it.

16/8/16 That was as far as I got with your letter I hope this will get ~~you~~ the mail

3/10 hope you will be  
able to read this  
writing when the  
letter arrives in N.Y.  
it might fade some  
how is it that the  
children here can  
see young Eric and  
leaving his home &  
going away it seems  
to be the way of the  
world. I only wish  
I had been born a  
~~boy~~ <sup>girl</sup> I would have  
had some fun.  
The girls have easy  
the best of it.

4.) It would be a  
good scheme to  
number the letters  
only the trouble  
is that I forget the  
number of the last  
letter written when  
I come to write the  
other one.

Remember me to  
Mrs. H. Lee Cowie.

Have you taken  
any photos of with  
my camera yet.

Sand is about the  
only ~~time~~ thing that  
is plentiful out

Here it gets into  
everything but it  
is clean sand & as  
long as it is not  
in the tubes it  
is alright.

Much Love  
from Eric X
