The Address to be written
here

We arrived here three days ago, and
am having a great time. I have not written
you a letter yet but will send one long one
when I reach home. We have had a very good
trip, - came down S. America. Have been to see
those folk I was telling you about and I told
them you were writing, so don't forget.
- Hoping you are keeping quite well
with love
Leonard
